

Loom **CLAD**™

Timeless *Luxury*
That Redefines
Your Exteriors

HIGH PERFORMANCE ALUMINUM CLADDING

Loom **CLAD™**

Designed for
WEATHERPROOF LONG LASTING FUTURE

Loom Crafts, a name synonymous with bespoke high quality, path-breaking innovations and trendsetting designs in outdoor lifestyle, is the only company in India to provide complete outdoor living solutions. Owing to the in-depth understanding of consumer's distinct needs for residential, commercial, hospitality and real estate aesthetics, Loom Crafts has developed numerous outdoor lifestyle concepts as well as pioneered outdoor furniture range, along with several patented shade and umbrella systems. Now after several years of research and development undertaken by in-house outdoor experts and engineers, Loom Crafts has innovated the first of its kind exterior surfacing solutions – Loom Clad, poised to revolutionize the building construction code.

Giving a magical facelift to the high-end exterior construction and architectural industry, Loom Clad unlike the traditional cladding, can be easily fixed in least amount of time, is exceptionally durable, light weight and maintenance free, weather, moisture and UV resistant as well as eco friendly. In addition, Loom Clad also acts as a thermal insulator, reflects noise, is highly cost effective and can even act as bracing for exteriors.

Ergonomically designed, Loom Clad can be customized and installed as per the distinct demands of clients. Available in a wide variety of textures and colors, Loom Clad can even be installed in a range of profiles and styles to completely change the look and feel of your outdoors. So whether it's an existing structure or a new construction at any given altitude or even in the coastal area, Loom Clad is the ideal option to achieve a timeless luxurious finish.

Specializing in exterior wall cladding, Loom Clad also features a gamut of other application options on both exterior and interiors like interior feature walls, doors, gates, canopies & ceilings, counter fronts, fences, space dividers and shutters.
